Hi Neighbor!

Thank you for your interest in our softball organization!

It's a new season, but our mission remains the same - to provide a competitive, youth softball program for Nolensville and its surrounding communities within Middle TN. Our 12u team has now aged up to the 14u division and both of our 14u teams (2010s and 2011s) are coming off successful 2024 seasons – and we couldn't have done it without our sponsors!

The Nemesis program is dedicated to our athletes and aims to ensure a challenging and empowering sports environment for girls, ages 8-18, their families, coaches and all of the volunteers who support them.

It's proven that girls who participate in a competitive sport develop a strong sense of confidence and well-being, with the ability to work effectively as individual contributors to a greater team dynamic. They not only work out physically, but they flex their mental and emotional muscles as well by consistently practicing strategy, sportsmanship and stamina.

Sponsors and local businesses who support Nemesis Softball make a genuine impact to our community by allowing us to provide quality equipment, field access and training for youth athletes, which is then applied in competitive tournaments locally and regionally.

Support for our program is greatly appreciated and we thank you for participating in the extraordinary experiences today that will contribute to a bright and healthy future for female athletes in and surrounding Nolensville, TN.
